

# To have and to hold

WEDDINGS AT THE GRAND PALM RESORT

VENUE • ACCOMMODATION • PHOTOGRAPHY • FOOD

## HOST YOUR WEDDING IN GRAND STYLE AT THE GRAND PALM

With a multitude of spectacular venues to choose from, deciding where to hold a wedding is likely to be the most difficult decision of the entire planning process.

The Grand Palm Hotel Casino and Convention Resort just outside Gaborone now makes that decision easier by offering a variety of wedding packages designed to suit specific needs. The Grand Palm will make it happen.

### A VARIETY OF VENUES

The resort has a selection of beautiful wedding venues. For outdoor and small wedding parties, planners have the option of using the Boma where guests can experience a traditional bushveld dinner in natural surroundings.

The Okavango Suite can accommodate up to 250 people and can be divided into two smaller rooms for smaller wedding parties. The Moremi Suite comprises three separate rooms that can be opened out into one large room to accommodate up to 100 people. The Grand Palm works with reputable local service providers to ensure the décor and flowers perfectly complement the event.

The award-winning Gaborone International Convention Centre (GICC) also offers extensive technical resources and is equipped with state-of-the-art audiovisual equipment including multi-media capabilities and flexible lighting designed to suit all needs.

### BEAUTIFUL SURROUNDINGS

Besides delivering an unforgettable African wedding experience, the resort and surrounding areas offer a wide range of activities for guests to enjoy.

There are two golf courses within a 15 km radius of the resort as well as an abundance of historical and leisure sites, including the National Museum and Art Gallery, Bonnington Farm Monument, and Kgale Hill. Nature lovers can join an early morning or late afternoon game drive at the Gaborone Game Reserve and revel in seeing impala, kudu, ostriches, wildebeest, zebra, gemsbok, eland and even two rescued rhino.

The game reserve boasts a wide range of birds in the diverse habitat of scrub, woodland and forest.
